Bill Collins Memorial Arts Scholarship

Bill Collins was a former member of Framingham Cultural Council. He designed the logo used by the FCC on its letterhead and other publications. He also provided art work and designs for our Annual Awards event. As a volunteer in Framingham, Bill designed a variety of logos, posters, and other materials for individuals, and for government, cultural and civic groups. He was a graphic artist and Art Director for a large corporation for over 30 years before he retired. Bill belonged to the Framingham Artists Guild and was a painter and fine artist. His work was shown regularly at Guild exhibitions, at the Danforth Museum of Art, the Framingham Library and local galleries. Bill was a dedicated volunteer assistant to Hemenway Elementary School art teachers. He loved all forms of the arts. His other passions were old movies, music from the 40's and 50's, and a set or two of tennis which occupied his time away from the easel.
